THE RED STARS.....The WORLD FROM A SILVER STICK...

With all the opportunities available for children, why Red Stars? There are many reasons- here are a few:

1. **Baton Twirling is a wonderful sport- and art form.** Dance-Twirl is what we do. We twirl batons with accompanying dance moves ranging from jazz to lyrical to ballet to rock and roll.
2. **It is inexpensive compared to many other sports!**
3. **Baton Twirling with THE RED STARS is FUN!** From making new friends, to being physically active , to having the best twirlers in the country as your instructors, this is one of the top ten programs in the United States today.
4. **Children learn discipline, dedication and musicality at RED STARS.**
5. **The possibilities here are endless.** Consider that , while many families vacation at Disney World and watch the Magic Kingdom Parade, RED STARS have been in the parade nine times in the last nine years. Red Stars compete at Twirl Mania , ESPN Wide World of Sports, Disney each February
Consider that RED STARS have lead the college marching bands at University of Connecticut, Cornell,Penn State (4) Syracuse(5), University of Tennessee(3) Tulane University and many others

6. **Red Star twirlers have earned more than \$250,000.00** in the Miss New Hampshire Scholarship Program in the last 12 years and is proud to have coached five Miss Derry's.

7. As a **RECREATIONAL** activity-with no competition- it is a perfect way to enjoy a physical activity that combines movement with grace, the excitement of mastering each trick or twirl, learning to listen to direction, meet new friends(our students come from Southern NH and Mass.)

8.**We train champions** as young as three, but we also offer a non competition program for children wanting to simply learn the sport. We also offer a learn to twirl-program for beginner students who like to be in parades and shows.

9.**Being in the RED STAR program offers a child the chance to work with wonderful role models.** Our high school and college instructors are experienced with children and are outstanding students academically and in twirling as well as in pageants.

10. **INTERNATIONAL PERFORMANCES-** Spain, Russia, Denmark, Ireland, Germany, China...how many other NH children get these experiences before the age of 18? OFF to Spain in 2012 and the National Champion BCS Bowl at the Superdome 2012!!(second time!)

11/**Exceptional Staff-** lead by Founder/Director and Choreographer **Gina Branley Hutchinson**, The Red Stars are in their thirty fifth year. As a former classroom teacher with thirty five years experience in several grades in public schools in Derry and Plaistow, NH, "Mrs. H." brings the expertise needed to bring out the best in every child. Her staff is trained to do the same. Gina was a former Derry Teacher of the Year and runner up to NH Teacher of the Year in 1989. She was inducted into the first National Baton Twirling Hall of Fame Class in 2004, was named Disney Twirl Mania "Coach of the Year" in 2009 and 2010. She founded the team in Plaistow in 1972 and is in her 35th year in Derry.

KeriAnn Lynch - a student of Gina's from the age of five. She went on to become the third Red Star Syracuse University Orange Girl and a nine time Talent Winner in the Miss New Hampshire Scholarship Program as well as runner up to Miss New Hampshire. "Miss KeriAnn" has National Championship titles- too many to list!! She received her Masters Degree from Boston University and is a third grade teacher in Lowell, Mass.

Ashley Tiller-- Ashley has been a **Red Star since she was eight, a National** Champion many times and a graduate of Boston College with a Masters Degree from the Lynch School of Education at BC. She is a teacher at her own alma mater, the Bagnall Elementary School in Groveland, Mass.
